

EPSILON

CLEANER RESTORER FOR POLISHED CONCRETE

Epsilon is a super-concentrated cleaner formulated to clean and preserve densified concrete floors. Its unique cleaning ability is coupled with anti-soil redeposition qualities, to provide cleaner, safer surfaces.

FEATURES AND BENEFITS

- Contains special ingredients to fortify densified concrete floors
- Super-concentration means savings in shipping, handling, storage and dilution
- Helps maintain floor surface density
- Special buffers allow cleaning power to be extended to all dilutions

DIRECTIONS

Dilute as recommended, using this cleaning tool: autoscrubber. This product is intended for use as a maintenance product, not for project cleaning.

Maintenance: Up to 480:1

HMIS Hazard Rating

HEALTH	1	0 – Insignificant
FLAMMABILITY	0	1 – Slight
REACTIVITY	0	2 – Moderate
PERSONAL PROTECTION	X	3 – High
		4 – Extreme
