

O.I.L. DEGREASER

O.I.L. DEGREASER

Professional strength solvent fortified degreaser quickly emulsifies motor oils and other industrial liquids for complete cleaning. Contains corrosion inhibitors.

SPECIFICATIONS

- Appearance: Clear, blue liquid
- Odor: Solvent, butyl
- Density (lbs/gal): 8.82
- pH (Conc.): 13.2
- Refractive index: 1.3839
- Foam generation: Moderate
- Stability: Stable
- Freeze/thaw stability: OK 3 cycles
- Shelf life: 1 year minimum

DIRECTIONS

- Wear safety equipment recommended on MSDS. Read all directions and cautions prior to beginning work. Remove loose soil and garbage. Before cleaning floors, place Wet Floor signs near work area
- Dispense Fortified Degreaser into cleaning equipment
- Apply to surface liberally while scrubbing. Allow to work. If soil is heavy, double scrub with an auto scrubber.
- Pick up as much solution as possible. If possible, allow floor to dry before traffic resumes on cleaned area.

EQUIPMENT LIST

- Wet floor signs
- Autoscrubber with grit type brushes
- Wet vacuum
- Looped-end cotton mop
- Mop bucket with wringer
- Push broom

Available in 2.5 gallons

FEATURES AND BENEFITS

- Heavy duty, solvent fortified formula for complete cleaning
- Patented formula instantly emulsifies oily soils
- Formulated to quickly remove service lubricants
- Contains corrosion inhibitors-safe on most industrial surfaces and equipment

RECOMMENDATIONS

- This is an excellent "catch-up" cleaner that will perform best when used regularly
- Use "grit" type brushes on your autoscrubber to enhance cleaning on unfinished concrete and other industrial floors
- Overlap your cleaning passes to assure uniform cleaning and "double scrub" when heavy soil is present
- When mop cleaning, change cleaning solution frequently to get peak cleaning performance. Do not let mop rest in cleaning solution between uses.

SURFACE SAFETY

- Safe on most industrial surfaces
- Not recommended for use on brass, copper or aluminum
