

PREMIUM DUST MOP SERIES

Microfiber dust mops are more effective, easier to maintain and last significantly longer than traditional cotton alternatives. Whether you are performance- or value-driven, microfiber dust mops offer the best solution.

- NFDM18BLEA - 18"x5" Pocket Dust Mop
- NFDM24RDEA - 24"x5" Pocket Dust Mop
- NFDM36GREA - 36"x5" Pocket Dust Mop
- NFDM48YLEA - 48"x5" Pocket Dust Mop
- NFDM60BLEA - 60"x5" Pocket Dust Mop
- NFDM72RDEA - 72"x5" Pocket Dust Mop

Dust Mop Features and Benefits

- Robust microfiber yarn and double stitched backing provide a longer life cycle than cotton mops
- Effective dry grooming between machine laundering due to subtle corn rows and a low profile
- Eliminates the need for dust mop treatment chemicals
- Fits standard universal wire frames

V-Dust Mop Features and Benefits

- Seamless transition from open hallways to narrow doorways
- Eliminates unnecessary stops and dustpan use
- A great tool for gym floors
- Each velcro-dust mop is 42" x 5"
